PROFILE

Holly Thompson's practice focuses on oil and gas litigation and transactions. In her litigation practice, she assists clients with contractual disputes in the energy industry at both the trial and appellate level and has served as special counsel in several oil and gas bankruptcies. Holly has represented banks in the preservation of interests in oil and gas properties and oil and gas clients in disputes regarding production handling agreements, marketing agreements and master service agreements, as well as oil and gas clients seeking coverage and reimbursement from insurance carriers.

In her transactional practice, Holly enjoys assists clients in the energy industry in various aspects of their businesses. She primarily advises companies in acquisitions and divestitures, contracts, offshore oil and gas title, oil and gas financings, and mortgages. She also represents clients in regulatory matters involving BOEM/BSEE, the Louisiana Mineral and Energy Board and the Louisiana Office of Conservation.
