PROFILE

A veteran litigator, David Pluchinsky devotes his practice to commercial, real property and product liability disputes in Texas, nationally and internationally. He has defended and prosecuted complex and multi-forum litigation for clients and has extensive experience in trial and appellate work in both state and federal courts as well as arbitration. Additionally, David has extensive knowledge of the technical and legal developments relating to eDiscovery, and efficiently guides his clients in navigating complex eDiscovery processes and related issues.

David's broad litigation experience includes commercial disputes, business tort claims, international tort claims, civil RICO claims, antitrust cases, contract disputes, products liability claims, environmental litigation, and qui tam matters. His practice has focused on businesses in the energy and chemical sectors confronted with complex commercial disputes.
